ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, Est.-estimated, FTE-full-time equivalent, FY-fiscal year, GFF-general facilities funding, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, Prelim.-preliminary, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SMIF-supplemental millage incentive funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308 and ACA § 6-20-2503 (a) (3).

2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. Districts with negative funding amounts will receive written notification that will include information on how to code the repayment transaction.

3) Educational excellence trust funds are included in state foundation funding aid and are restricted pursuant to ACA § 6-5-307.

4) The combination of NSL state categorical, NSL transitional (plus or minus), NSL state categorical withholding (minus), and NSL growth funding (plus) equals the total net NSL state categorical funding received by a school district. The NSL state categorical funding rate increases or decreases in \$175 increments for districts in transition.

5) Eligible school districts shall receive the higher of student growth funding plus special needs isolated, small district, and transportation funding. The initial FY17 state aid notice provides declining enrollment funding that has not been compared to student growth funding (estimated or actual) and/or special needs isolated, small district, and transportation funding. Subsequent FY17 state aid notices will reflect these comparisons. The final determination of FY17 student growth funding will be made in FY18.
